Important to remember that unis such as QUB use modular approach to assessment #niedchat

18-Apr-12 19:36 | ICTNI

@dmchugh675 #niedchat pros-suit weaker pupils, and can be smaller quantity per exam .cons-do all feel able to produce A* so inc pressure end

18-Apr-12 19:37 | helenhamill

@weteachhistory #Niedchat think that is a diff quest? Agree that perhaps resit should be stopped!

18-Apr-12 19:37 | mapsman

Modules create exam fatigue, and reduce teaching to mini-size chunks. #Niedchat

18-Apr-12 19:39 | dmurray742

#Nledchat Hi Folks, great to see you are all 'hard at it!' Interesting topic tonight

18-Apr-12 19:44 | medv2

@dmchugh675 #niedchat well i think modular system offers you a choice of 3 or 4 exam papers in effect? and my subject wasn't modular music

18-Apr-12 19:45 | helenhamill

@dmchugh675 Yes - a less Gove-ian 'I'll decide what's best for you approach'. Now we wait for CCEA to come up with proposals. #Nledchat

18-Apr-12 19:45 | dmurray742

@dmchugh675 good point, but are not all exams like that anyway? #Nledchat

18-Apr-12 19:45 | weteachhistory

18-Apr-12 19:48 | weteachhistory

18-Apr-12 19:49 | amandasalt

@dmchugh675 @msrgraham I worry about this. Will our gcse be undervalued now compared to eng gcse? Do we have a 2 tier system. #Niedchat

18-Apr-12 19:49 | mapsman

@dmchugh675 thanks! So is it down to teacher choice whether it's modular or linear? #Niedchat

18-Apr-12 19:49 | MsRGraham

@mapsman I think that's a non-issue, Tim. Schools can continue opt for whatever exam board suits their needs best. #Niedchat

18-Apr-12 19:50 | dmurray742

@helenhamill I feel that at least same content if not more, plus GCSE prepares poorly for A level langs so need more time #niedchat

18-Apr-12 19:50 | amandasalt

@dmchugh675 #Niedchat I think so. But this was tried with hist OCR pilot which was 75% c/w And it was 'ended'

18-Apr-12 19:50 | weteachhistory

With just the SEC State Exams commission the only option it is one less variable to worry about #niedchat

18-Apr-12 19:51 | johnmayo

@mapsman @dmchugh675 surely you can opt for the English boards if it was an issue? #Niedchat

18-Apr-12 20:05 | dmurray742

@dmurray742 @MsRGraham I totally agree. Kids become exam machines but lose ability and desire to love learning for its own sake. #niedchat

18-Apr-12 20:06 | dmurray742

@mapsman agreed! Schools are too exam focused we need to focus on learning #Niedchat

18-Apr-12 20:07 | MsRGraham

@amandasalt Yeh - I think focusing on resits as the issue misses the real problem, i.e. dilution in teaching time. #Niedchat

18-Apr-12 20:07 | dmurray742

@dmurray742 @dmchugh675 #niedchat OK but when i have my #heartattack i want a pre #modular Alevel surgeon. over 35 yr old? #please!

18-Apr-12 20:07 | helenhamill

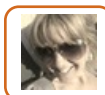

I am very old school on this, I know and recognise it. But I fear we are creating a generation of goldfish with no memory skills #niedchat

18-Apr-12 20:07 | amandasalt

#niedchat Over the last 10 years I have rarely noted many students improving on results they resit. They often pay now and then forget .

18-Apr-12 20:08 | mapsman

#niedchat most worrying trend in A-level English is rigid use of assessment objectives, box ticking, misses the flair in great candidates.

18-Apr-12 20:08 | debbierea

@amandasalt I'm with your old-fashioned, old school thoughts. Radical, pah! #Niedchat

18-Apr-12 20:08 | dmurray742

18-Apr-12 20:09 | MsRGraham

@dmurray742 @amandasalt I think it makes more sense in languages but I don't think the model fits everywhere. #niedchat

18-Apr-12 20:09 | dmchugh675

@dmchugh675 @dmurray742 @MsRGraham portfolios suit girls, boys will generally perform weaker in this type of assessment. too messy #niedchat

18-Apr-12 20:10 | debbierea

@dmurray742 @amandasalt #niedchat dilution in teching time = standard thus i dont like that! and think until all subjs are modular is issue

18-Apr-12 20:10 | helenhamill

@amandasalt #niedchat And this always gives an advantage to the smarter, G school kids - memory is not a gift we all have

18-Apr-12 20:10 | mapsman

18-Apr-12 20:10 | amandasalt

18-Apr-12 20:11 | ICTNI

@mapsman @amandasalt and what's so important about memory in this tech age anyhow? #niedchat

18-Apr-12 20:11 | dmchugh675

18-Apr-12 20:12 | amandasalt

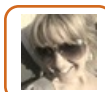

@ICTNI @amandasalt I agree, CW is impossible for someone who cannot manage their time and work. #niedchat

18-Apr-12 20:12 | dmchugh675

18-Apr-12 20:14 | dmurray742

@dmchugh675 @ICTNI @amandasalt #niedchat - disagree damien. my #asd son would do much better in coursework where led in small task chunks .

18-Apr-12 20:14 | helenhamill

@helenhamill my deepest suspicion about CW is abuse of the system #niedchat

18-Apr-12 20:14 | amandasalt

this means Paper 2 at A2 level consists of a listening exam, reading comprehension, translation task and a literature essay. #Niedchat

18-Apr-12 20:14 | dmurray742

@amandasalt @dmchugh675 c/w is a big part of my subject and can be a real struggle at times. Exams can be a relief! #niedchat

18-Apr-12 20:15 | ICTNI

@weteachhistory Yes, but is the focus on remembering content for an exam totally flawed in an age where we can google it? #niedchat

18-Apr-12 20:15 | dmchugh675

in ONE paper - we were told that it was to prevent exam fatigue. Stupid, daft, unpedagogical way of assessing knowledge. #Niedchat

18-Apr-12 20:15 | dmurray742

@dmurray742 Paper 2 is horrific for them! #niedchat

18-Apr-12 20:15 | amandasalt

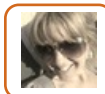

@dmchugh675 @weteachhistory That's a very valid point Damien - well worth its own #Niedchat discussion. What is the nature of the 21C sch?

18-Apr-12 20:16 | dmurray742

@amandasalt #niedchat i could tell you schools which use templates, and some which do work for pupils! rather than lead..others NO leading

18-Apr-12 20:16 | helenhamill

@helenhamill @dmchugh675 @ICTNI @amandasalt coursework is very much dependant on teacher performance. Line by line dictation. #niedchat

18-Apr-12 20:16 | debbierea

@dmchugh675 #Niedchat doesn't that make all subjects redundant though?

18-Apr-12 20:16 | weteachhistory

@amandasalt It is just awful - and lasts 3 hours, so many different skills being assessed concurrently. #Niedchat

18-Apr-12 20:16 | dmurray742

@dmchugh675 so we're all quite old school really! #Niedchat

18-Apr-12 20:18 | MsRGraham

18-Apr-12 20:19 | MsRGraham
